What They Say

Mrs. Seebauer ❝

My students remind me that @infohio is my favorite all the time—and this is one more reason why—incredible #professionaldevelopment opportunities!
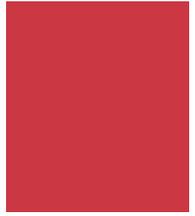

Cynthia Unger ❝

With INFOhio resources, career technical students have the research at their fingertips to become knowledgeable and prepare for certification in a field of study.

Leah Blaze ❝

What better way to make digital connections to concepts of print than to hop into @infohio BookFlix. INFOhio provides a wealth of high-quality digital resources for Ohio teachers!

Melanie Zolnier ❝

So many of the resources in @infohio go unexplored by our teachers because they just don't know what amazing and free tools they have at their fingertips. I made this preview guide for Ohio teachers in grades K-6 to showcase some of my favorites. bit.ly/2XgyHt1

Kimberly Carlson ❝

Looking at the incredible @infohio this morning @wolvestweet! SO many amazing (free) resources for our students and teachers!

Chad Miller ❝

Go to @infohio and find the materials and resources that have been curated and reviewed. High Quality Materials that can assist a transformation from teacher to learning facilitator.
